

"TRUTH AND CONSEQUENCES"

SEYOUNG YOON *TERRITORY AND JEALOUSY*

21.1 - 5.3.2016

and 's world colliding.
Standing below, there existed only a resonance and some cheap thrills, since it was all meant to be forgotten. They huddled together for warmth and one day spotted one of them voguing and passing the rest by.
A world where 30 people are living in, inquisitively smooth, repeating prosperity. But an eradicator missing now. This way to where and that way to where ?

A perverse act,
Instead of flowers, an event possibly for 50 years later, an on-going shout out of distress signals (SOS) tries to intervene. This time sitting by itself, not leaning, hearing people say stick to the lane and try not to go astray. But wild they are, and someone on the floor of the house hissed for silence. The unreliable narrator with pre-emptive tactics and a watery wilderness awaits for complete infatuation.
The steam escaped with a loud hissing noise, allowing the request that you sat upon (your lips).

By the end of the show a tragic irony might prove things wrong, perhaps this liaison is leading them nowhere. But in the meantime they look complementary. An old tendency mixed with new delinquents, now we should talk about whether it is a missing page or a forgotten page.
